

FSA ID

STEP-BY-STEP

Your FSA ID gives you access to Federal Student Aid's online system and serves as your legal signature. Both the student & parent(s) should each create an FSA ID username and password to electronically sign the FAFSA. Only create an FSA ID using your own personal information and for your own exclusive use. You'll use your FSA ID every year you are in college to complete the FAFSA and review your federal student aid. The 2024-2025 FAFSA is scheduled to open in December.
