

CollegeForTN is a free, online resource schools and districts can use to expand college and career advising. With students in mind, we inventory students' interests, values, and skills and then navigate each student through career and college pathways. We're a free one-stop resource for college and career information in the state of Tennessee. CollegeForTN.org is an initiative of the Tennessee Higher Education Commission.

COLLEGEFORTN.ORG FEATURES

CAREER PLANNING	 Career Profiles	Explore over 900 potential career paths! Each career profile displays salary information, required education, preferred skills, and more.
	 Career Assessment	Students can take this short quiz to match their interests with potential careers.
